SUMMARY

Motivated Civil Engineering student from National Institute of Technology Andhra Pradesh seeking an internship opportunity to gain practical experience in construction, design, and project management while enhancing technical and professional skills.

SKILLS

- AutoCAD 3D
- AutoCAD (2D Drafting)
- SketchUp (3D Modeling)
- D5 Render (Photorealistic Rendering & Visualization)
- Site Analysis

EXPERIENCE

EDUCATION

- NIT Andhra Pradesh**
B.Tech
Civil Engineering
- Recently completed 2nd Year
 - Academic Knowledge: Strength of Materials, Geotechnical Engineering, Transportation Engineering, Hydraulics and Fluid Mechanics

PROJECTS ASSIGNMENTS

- Analysis of Pelton Turbine Performance
- Study of Soil Classification Systems
- Transportation Engineering Lab Experiments

DISCLAIMER

I hereby declare that the above information is true to the best of my knowledge.

- Analysis of Pelton Turbine Performance
- Study of Soil Classification Systems
- Transportation Engineering Lab Experiments

LAB EXPERIENCE

- Soil Testing (CBR, Sieve Analysis)
- Concrete and Bitumen Tests
- Hydraulics Experiments
- Analysis of Pelton Turbine Performance
- Study of Soil Classification Systems
- Transportation Engineering Lab Experiments

ACADEMIC KNOWLEDGE

- Strength of Materials
- Geotechnical Engineering
- Transportation Engineering
- Hydraulics and Fluid Mechanics
- Analysis of Pelton Turbine Performance
- Study of Soil Classification Systems
- Transportation Engineering Lab Experiments
